

Strategic Plan 2022-2025 At-a-glance

North York Toronto Health Partners (NYTHP) is pleased to share our first Strategic Plan for creating a strong and sustainable local health system and healthy community.

Our Shared Purpose

We are a compassionate community of providers, patients, caregivers and residents who are committed to promoting health, wellbeing and positive experiences for all. Together we are building from our strengths both individually and in partnership. We are igniting the power within each of us to support meaningful change for our community, now and into the future.

Our Strategic Goals for 2022-2025

L **EAD** our collective strategy to respond to urgent community needs, such as pandemic response and recovery, and realize greater value through integration, transformation and advocacy.

D **EVELOP** collective governance and operational structures and capabilities to accelerate integrated care and build strong teams for a healthy and sustainable future.

E **NGAGE** patients, caregivers, staff, partners and communities in NYTHP's work to understand and improve people's experiences and health.

A **DVANCE** population health outcomes through improving health equity and prevention, and leveraging digital technologies.

What Are Ontario Health Teams

Individuals receive all their care, including primary care, hospital services, mental health and addictions services, long-term care, and home and community care from **one team**.
